

AFAQ HUSSAIN

MERN STACK DEVELOPER

Profile

i am Afaq Hussain the student of Computer Science at AWKUM since 2019.

I've got a 3.27 CGPA. I'm really interested in web development. I'm good at

HTML, CSS, Bootstrap, JavaScript, React.js and also designing in Figma

which are all important for making websites look and work well. Now, I

want to learn more and become really skilled in using the MERN stack

(MongoDB, Express.js, React.js, Node.js). Learning this will help me build

even better websites and web apps.

PROJECTS

1: PORTFOLIO

Description

Enhance your online visibility with our portfolio website. We've designed it

using user-friendly tools like React.js, CSS, Node.js, and Express. Connecting

with us is easy via our contact form powered by email.js. You can also grab

our CV effortlessly with the 'Download CV' button to learn more about our

qualifications.

2: BLOGGING

Description

our blogging website! It's powered by the perfect combination of React.js, CSS,

Express, Node.js, and MongoDB. With simple and secure user login and signup

features, you can easily join our community. Write and upload your blogs,

download them, add descriptions, and explore your friends' websites effortlessly.

Enjoy a seamless blogging experience

3: E-commerce

Description

The e-commerce website is being developed using React.js, CSS, Node.js (Express),

MongoDB, and JWT for security. The website will feature user authentication

(registration and login), product management (adding, updating, deleting), a

shopping cart, and user profiles. In the database, user data, product information,

and order history are stored

EDUCATION

AWKUM University Mardan

Recently Graduated in Bs-Computer Science (2019-2023)

Quaid-E-Azam Collage Mardan

FSc completed in (2017-2019)

Quaid-E-Azam School Mardan

SSC completed in (2007-2017)

Achievements

Got fully funded Ehsaas Scholarship in University (2019-2023)
